Member of Executive Staff of the Burrage Hospital.

Nantasket, Mass., Aug. 15.—The Hull police were notified yesterday of the drowning of Arthur W. Bemis, one of the executive staff of the Burrage hospital at Bunkin island, in Boston harbor Sunday night.

Bemis and the engineer of the hospital were returning from Nantasket in a small sailboat. The craft was capsized by a squall. Both men clung to the boat, and for nearly two hours worked it toward the island by paddling with their hands.

HANGED HERSELF FROM BEAM.

Wife of Peabody, Mass., Official Made Rope of Clothing.

Peabody, Mass., August 15.—It was learned yesterday that Mrs. Mary E. Hooper, wife of Charles H. Hooper, superintendent of streets, committed suicide by hanging in her home Sunday.

Mr. Hooper left the house at 8 o'clock Sunday morning. He returned a short time later, and not finding his wife concluded that she had gone to visit relatives at Danvers. He remained at home nearly all day, awaiting her return.

Late Sunday night, when he was about to retire, Hooper went into a vacant room in the upper part of the house to close a door, and what he saw temporarily prostrated him.

Mrs. Hooper's body was hanging suspended from a beam. The body was cold, and she had been dead about ten hours.

To accomplish her end, Mrs. Hooper made a rope of some pieces of under-clothing, tied it to a beam and then fastened it around her neck, allowing herself to strangle to death.

Mrs. Hooper was about 45 years of age. Her husband was 48 years of age. Her husband is unable to account for her act.

It had been understood since Judge Parker's defeat for the presidency that he would form a partnership with Mr. Sheehan, as they had tacitly made an arrangement of this kind contingent on Parker's defeat. The new firm, it is said, will begin operations Sept. 1.
